WEISSMAN® SIZE CHARTS

How to measure:

- **Girth:** Girth is the most important measurement when determining size for dresses and leotards. Place measuring tape at the top of the shoulder, where straps sit. Bring tape under the crotch and back up to meet at the shoulder.
- **Chest**: Measure around the fullest part of the chest with arms relaxed.
- **Waist**: Measure around where the waist naturally indents. Keep a finger between the tape and belly.
- **Hips**: Measure around the fullest part of the hips and buttocks, standing with heels together.
- **Inseam**: Measure from crotch to floor, keeping tape against the leg. Round up to nearest half-inch.
